

Posters ICPH2009 – Instructions for Authors

- 1) Language - Please prepare your poster in English
- 2) Dimensions – Posters are to be presented in portrait, and should be size A0 (84 cm wide, 119 cm high). Title, authors and affiliations should be included in the heading.
- 3) Poster setup – Authors should report to the exhibition hall (HALL Q) on Monday 7th of December, and display their poster. Please place each poster on the appropriately numbered board – poster numbers are detailed in the conference programme and on the website. Each Author is responsible for the placement of their poster – adhesive tape and pins will be provided. It is suggested that you bring some A4 handouts of your posters for distribution. Photocopying facilities are available at the conference centre, but at your own cost.
- 4) Poster Discussions – A total of 3 separate poster sessions will be held during the conference, organized by category and poster number. Poster presenters should ensure they are in front of their poster for the majority of the appropriate session, in order to take questions. Poster sessions will be as follows:
